PS:

We are looking for members that can help with our [post functions](#) and [FUNERAL HONORS](#).

If you have any changes in your [address](#) or [contact information](#), please contact us so Wis. & National American Legion can be notified to the changes for membership & other information.

We really need some new members because of deaths, transfers, and vets not renewing. Think of how we can recruit new members and keep our post alive.

This is the **American Legion's 100th Anniversary**. How can we celebrate it and include the public to further promote our post and the legion?
